

ICNCS

Jan. 28-30, 2023 • Kuala Lumpur, Malaysia

About ICNCS

2023 International Conference on Navigation and Communication Systems, will take place in **Kuala Lumpur, Malaysia** from **January 28-30, 2023**. It is a not-to-be-missed opportunity that distills the most current knowledge on a rapidly advancing discipline in one conference. Join key researchers and established professionals in the field of navigation and communication systems as they assess the current state-of-the-art and roadmap crucial areas for future research.

Submission Method

Please submit your full paper/abstract via Submission System using the link. (Only .pdf files are applicable) : <http://confsys.iconf.org/conference/icncs2023>

Important Dates

- Submission Deadline: **September 5, 2022**
- Acceptance Notification: **October 5, 2022**
- Registration Deadline: **October 20, 2022**
- Conference Date: **January 28-30, 2023**

Call for Papers

Algorithms

Big Data

Artificial Intelligence

Machine Learning

Computer Architecture

High-Performance Computing

Image Processing

Internet of Things

Wireless Spectrum

Network Optimization

Public safety communication networks

Green Communication Systems and Networks

Cognitive Radio

Network Optimization

Mobile and Pervasive Computing

Virtual Reality and Visualization

Software Testing and Design

Publication

Submissions will be reviewed by the conference technical committees and **IJFCC** Editorial board, and accepted papers will be published in **International Journal of Future Computer and Communication**, which will be indexed by **Inspec (IET), Google Scholar, Crossref, EBSCO,, Electronic Journals Library.**
